Steve Manos Endorses Paul Kakis for Canyon Lake City Council

I endorse Paul Kakis because he puts “Passion into Action”. I have worked with Paul on several city projects and he knows how to effectively communicated ideas and provide his experience in helping others.

Paul serves on our Parks and Recreation Committee and helps to organize events for out Historic Downtown revitalization campaign.

“Paul has donated his personal time to our Dream Extreme committee and has personally work side by side with civic leaders to help others in need”.

“Paul donates his time to the Lambs Fellowship church and puts on an Annual Charity Car and Motorcycle show that benefits Children in the surrounding communities, I have personally seen this grow over the last six years”.
